

SWIMMING POOL L.E.D PRODUCT WARRANTY REGISTRATION

Our lights are backed by a 3 year product warranty. The warranty is limited to manufacturer defects and does not cover water or electrical damage caused by faulty equipment, improper installation, or user error. A copy of the original sales receipt or purchase transaction number along with the damaged product may be needed to redeem warranty claim.

Products must be registered within 60 calendar days of original purchase date to be eligible for warranty replacement.

**We highly recommend installing a new lens gasket to guard against water leaks when replacing the bulb.*

**Make sure to verify the pool's lighting voltage before installing the new lamp, improper choice could result in electrical circuit overload and destruction of product.*

**Warranty is not transferable*
